

ANZSOG Case Program

Template for TEACHING NOTES (1)

Synopsis of case

How this case could be used

Give a single example, or multiple options, preferably based on teaching experience.

Course audience

This can include detail of where the case might be placed during a course/during a teaching day.

Aim of these teaching notes

Learning outcome; theoretical frameworks including if appropriate, examples of PowerPoint slides or whiteboard presentations.

Possible student assignments, with suggested responses

Go into as much detail as you like: can include preparatory work, such as questions to be considered.

References, recommended reading

Audio-visual resources
