Coulson to be arrested today as Met steps up investigation

Amelia Hill

Andy Coulson has been told by police that he will be arrested today as the Met steps up its investigation into the hacking of mobile phones. The Guardian understands that a warrant is also to be made in the next few days for a former senior journalist at the paper. Luke Evans, former international football pundit, is reported to be among the two men named in the explosive phone-tapping revelations.

News of the World paid bribes worth £100,000 to up to five Met officers  
Cash total said to have shocked Metropolitan police as IPCC vows to oversee Scotland Yard corruption inquiry
