

Reimagining Public Administration: First Peoples, governance and new paradigms

Travel bursary application form

Participants in the conference will be arriving in Melbourne from all parts of Australia and New Zealand. ANZSOG and PM&C encourage those from the Indigenous community service sector and Aboriginal community controlled organisations to apply for our travel assistance bursary. In particular, delegates from remote locations will be prioritised. Applications are due by 5pm AEDT, Sunday 2 December 2018. You will be notified within 14 days if your application was successful.

You can apply for assistance now even if you have not yet registered for the conference. Successful applicants will only be paid the travel bursary once ANZSOG receives your conference registration and payment.
